Dear Ms Budge, Ms Calder and Ms Smith

Subject: Civil Service Participation in Pride

I am writing to acknowledge receipt of your letter to Joe Griffin, Permanent Secretary of the Scottish Government dated 22 July 2025.

Your letter has been passed to me as the Civil Service presence you refer to in your letter is coordinated by the UK Civil Service as opposed to civil servants employed by the Scottish Government.

Our team is currently reviewing your letter, and I have requested them to prepare a formal response. In the meantime, I can confirm that your correspondence has been received and is under consideration.

Yours sincerely,

Caitlin Kinsella
