Dear Mhairi Crawford,

Equality and Human Rights Fund 2026/2027 Award

We are delighted to confirm funding for 1 April 2026 to 31 March 2027 as detailed below:

Total funded amount: £290,871.00

The following is a summary of the activity which funding will contribute to:

To improve equality and human rights for LGBTQ+ young people across Scotland by raising awareness, amplifying young people's voices with decision makers and supporting capacity building with partners including across Education, the NHS, and the third sector.

Your organisation will be working towards the following:

- Support youth participation in policy making
 - Research and data gathering on young people's experiences
 - Deliver capacity building support within Scotland
-
- Deliver digital youth work with a focus on human rights - the post previously funded as part of EHR has been removed due to the flat funding structure. We are however continuing this work through external funding which we have been able to secure.

- Deliver LGBT Charter - we propose changing this to wider capacity building support as this is what our partners are requesting more
